Wrenbury Weekly...

This week has been full of activity. Little Wren's have been listening to the story of 'The Very Helpful Hedgehog'. The children have made some lovely little hedgehogs and have even baked apple pie! Base 1 have also been busy on an autumn theme after reading 'Pumpkin Soup'. They have enjoyed making their own version while also using their phonic skills. Base 2 have prepared and enjoyed their first theme day. We all enjoyed your wonderful assembly, thank you for working so hard on it. Base 3 have been busy writing stories about the Ancient Romans- these are looking great. Base 4 have been learning about the Heliocentric Solar System and The Geocentric Solar System- ask them about these! In Base 5 the children have been learning about maps and keys linking this to their history learning, finding out more about the allied and axis powers. As well as this we have all enjoyed our crazy hair day. Thank you to everyone for donating bottles for the Christmas fair.

Wrenbury Primary School continues to be a GOOD school, where there is 'a strong emphasis on pupils' personal development' and our children 'are exceptionally well cared for.'

### Exciting news!

After a rigorous interview process, the governors have appointed Miss Phillips as Wrenbury's new deputy head teacher. We are both excited and committed to continue to drive the school forward and we feel extremely grateful to be able to work with our fabulous school family.

### Time to celebrate...

Well done to Florence who, after careful judging by our reading leaders, was awarded for having the best reading diary in Base 3! Well done, Florence. Each week, the reading leaders will judge diaries in a selected Base (KS2) and award certificates and house points for diaries which show great effort. I must say that your reading diaries are just beautiful- well done to everyone.

### Northern Lights at Wrenbury!

Thank you to Sarah Godwin for sharing these beautiful photos of the Northern Lights over our school.
