

## Wrenbury Primary School Newsletter

20<sup>th</sup> January 2025

**Welcome back!**

What a beautiful week to return to school. Snow, frost and stunning clear blue skies. We are very lucky to be able to enjoy our school grounds and see the fields as we enjoy our outdoor space. This week has brought lots of joyful giggles and fun play to our breaktimes. There have been lots of walks in crunchy frost and time to enjoy those huge snowflakes. We all feel very lucky to be able to enjoy this together.

This week the children have been introduced to their new learning. Our whole school theme is 'The Great Outdoors' which is something I am very excited about. All Base overviews, newsletters and homework projects have been sent via email. Please do take a look at these and enjoy talking to your child/ children about their learning this term.

### Forest area improvements:

As you will have seen, this week we have had construction works on site clearing our forest area as the first stage of its development. We want this space to be one where the children can enjoy nature through play, where they can plant flowers and nurture habitats whilst being able to engage in imaginative play at the same time. This is something that the children (and teachers) are very excited about. This would not have been able to go ahead

without the generosity of a local company 'Graham Heath Construction' who, when hearing about the project, offered their assistance, free of charge. We want to thank them for being so supportive of school as they did not hesitate to help and worked non-stop over two days of icy, cold and

snowy weather to clear the ground ready for further development.

The next stage of development will focus on a creating a safe pathway through the forest while we look for further sponsorship for the

imaginative, hands-on, play equipment that we plan to add to the area. After this, we hope that parents would like to volunteer to help us and the children to plant up this woodland space to create a beautiful garden and habitats for wildlife.

Wrenbury Primary School continues to be a GOOD school, where there is 'a strong emphasis on pupils' personal development' and our children 'are exceptionally well cared for.'  
(Ofsted Jan 2023)

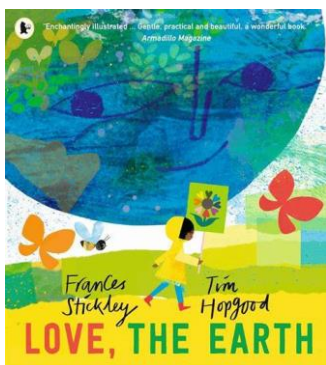

This week, Duru, Pedro, Aedan, were presented with their bronze reading awards.

Lumi, Trystan, Kasper, Penny, Thomas, Henry, Hugo, Grace and Benjamin were presented with their silver award.

Well done to everyone for being such fantastic book worms!

### This week's assemblies...

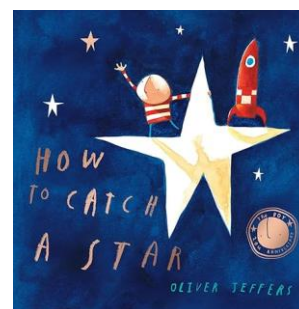

To start the term, we read the book 'Love, The Earth.' The book is a letter from the Earth to the people who live on it. In the letters the Earth invites everyone to enjoy the many wonders that it holds but it asks that we take care of it and that we speak up to ensure others take care of it to. We thought about our whole school theme 'The Great Outdoors' and about our forest area and how we, as Wrenbury children, could make a difference to our world.

As we continue through this term, we will be working hard to ensure that we are as sustainable as possible and that we are taking the best care of the patch of earth that has been intrusted to us.

This week we also read 'How to Catch a Star'. This book inspired us to remember these key messages:

- Aim high and reach for your goals.
- Problems can be solved.
- Don't give up.
- Nothing is impossible.
- Be patient, good things will happen.

### Friends of Wrenbury School

We really do need your help! FOWS work tirelessly to provide so many opportunities and experiences for our children, but they need support. Without support of our parents, they simply can't continue. Please, please do contact the office if you feel you can support FOWS in any way. Any help would be very much appreciated. If you are interested, email the office: [admin@wrenbury.cheshire.sch.uk](mailto:admin@wrenbury.cheshire.sch.uk)
