

FOWS September 2018

Dear parents/carers

I would like to say a big welcome back on behalf of FOWS, we are ready for another exciting year, and have plenty of plans to see us through this term. Below you will find a few dates for your diary, for which further information specific to each event will be sent out closer to the dates.

This year our fundraising efforts will be channelled into providing garden equipment, and bringing a new lease of life to the garden area, which you may have noticed is now completely accessible due to the fence being removed. We hope you share our enthusiasm about the importance of outdoor learning, seeing our children nurture and grow flowers, fruit, and vegetables which they can then use brings a sense of pride and accomplishment to this aspect of learning. In the coming weeks a list will be compiled of items we aim to provide for all of our children to use. Please continue to support us by helping where you can, and coming along to our events, so that we can give our children the best school experience, and as many skills as we can.

Upcoming events:
