10.	I would feel comfortable discussing my concerns with my child's teacher and/or teaching assistant.	10	1	100%

We are delighted with such a positive response for our new 3-4 year old pre-school provision – Little Wrens.

Staff at Wrenbury are both reflective and pro-active with every child at the heart of all they do. Our ‘we all matter’ ethos leads our relationships and partnerships and it is wonderful that this is recognised by our Little Wrens parents.

A few parents have commented that they would have liked additional / alternative transition dates for the Little Wrens. Unfortunately, with the closing of the Wrenbury Pre-School setting and the setting up of Little Wrens being so tight towards the end of term, finding a range of dates was very tricky, especially with the transition dates for New Starters (YR) and end of term events already in the diary. We anticipate that this will not happen in future as any child joining Little Wrens will have the opportunity for a transition session prior to starting across the school year.

We are aware that those parents of children who have joined after the settling in parent evening in October, will not have had a ‘formal’ parent appointment. An appointment will be offered as part of next term’s Little Wrens parent evening in the first half of the spring term. ‘Meet and Greet’ offers session contact to reassure parents of their child’s experience at Little Wrens, to discuss any concerns and issues that may arise. Individual appointments can be made, if deemed necessary, before the next ‘formal’ parent evening appointment date in the Spring term.
