

To all Little Wrens and Reception children:

Just want to say a friendly hello
and send a little wave
To remind you that I think of you
and let you know you're brave
I miss all your smiley faces
each and every day
It's great to see you're busy
in this time we've been away
So have some fun, play some games
have a giggle and be kind
You all are truly awesome
And like twinkly stars you've shined!

From Mrs Agnew
